Michael Qualls, President

Greetings and welcome from the balmy state of Minnesota. The wedding of Laurie's nephew went off very well and we will be accepting the hospitality of her family until the last week of the month. We will be back, exhausted of course, and ready to return to MOAA.

I have had one inquiry about the duties of a board member. I really do not know how to describe the duties that would be involved but they are not too arduous. I invite any who might be interested to come to one of our board meetings at 11:30 am at StevieB's on the Monday before our monthly meeting. You can observe, ask questions, and find out more about your organization.

We are also looking for two individuals to fill or fill in on two positions; Secretary and Treasurer. Bill and Les have been fulfilling the duties of these positions for

some time now and need a break or assistance. Please give these positions some consideration.

GMOAA has changed the dates for the state convention until November. I know this has complicated the plans of some of us. If you can possibly attend, your presence and support will be appreciated. Now is the time to start planning the trip and discussing carpooling with others.

Our October meeting will have two guest speakers from Carlyle Place in Macon. I know that their information can be life changing so I urge you to get your reservation in ASAP.

Thanks to you all and see you in October.

Rich McKee, First Vice President, Programs. Carlyle Place will be making a presentation at this month's meeting. Should be very interesting, don't miss it.

Pat Braski speaking at our September luncheon.

Jo Drinkhahn, 2nd Vice President, Membership.

If you missed our September 14th MOAA luncheon, you really missed a treat !! Pat Braski was some kind of a speaker, and I swore right then I'd go visit Chick-fil-A and eat more chicken !! To tell you the truth, I've never eaten there ! The thought of a thick piece of chicken inside a biscuit just never appealed to me; however, everything else about the company does.

Mr. Truett Cathy, Chick-fil-A founder, started his company in 1946 in Hapeville, Georgia. He was a member of the First Baptist Church of Jonesboro and taught Sunday School there for more than 50 years. He said the Bible was his guide-book for life. His stores, whether "company-owned or franchised, are closed on Sundays to allow the employees to attend church."

He was a Christian and ran his business by one of God's commandments:

Remember the sabbath day, and keep it holy. Six days you shall labor and do all your work.

But the seventh day is a sabbath to the Lord your God. You shall not do any work...

He died September 8, 2014 at the age of 93. What a legend !

Welcome to two new faces to our group: Addy Hammond and Cindy Lewis, wife of Doug. We're glad you joined us today and hope that you'll keep on returning !!

If you know of any person who should be in our group, just give me the name and information and I'll be glad to do some sleuth work.

Until then, see ya'll next month, and don't let the goblins get you !!

MENU: Lasagna (ALTERNATE CHOICE; Marinated grilled chicken), garden salad with assorted dressings, garlic bread, homemade desserts, (provided by 'Rich MxcKee) rolls and butter, tea and water, coffee on request,..
